

2004GT Leonardo Da Trapi™

REVOLUTONARY NEW FLYTRAP ART !

U.S. Patent #5,950,355

Featuring The Mona Lisa Masterpiece

The Gilbert® 2004GT Leonardo Da Trapi™ is the world's first, serious flytrap art. You can stick with Leo's Mona Lisa Masterpiece (included) or slip-in a masterpiece (or ad) of your own. Print it right off the internet (See gilbertinc.com/masterpiece.htm). Really set yourself apart with premium custom-punched frames.

Leonardo features two, superior, 20 watt insect attractant lamps (Sylvania #F20T12/350BL).

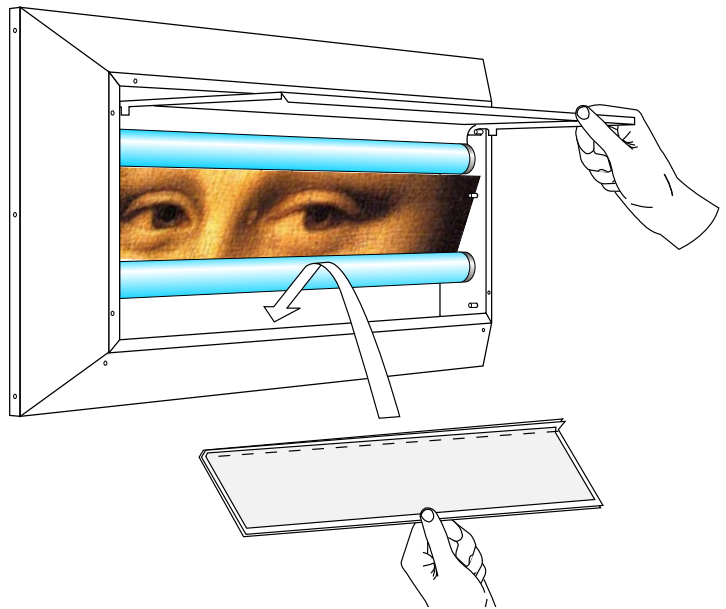

Artfully punched frame swings up for easy access to glueboard, glueboard tray, masterpiece and clear masterpiece tray. Update to a new masterpiece (see: gilbertinc.com/masterpiece.htm). A 2nd (optional) glueboard fits behind masterpiece. Change glueboard(s) regularly, at least as often as local codes require.

Beautiful Antique Brass & Aluminized Steel Construction

1 Year Warranty (excluding lamps, glueboards & masterpiece)

CHOOSE! (1) the standard six foot 3-wire power cord or (2) the highly recommended hard-wire version! Yes, we highly recommend the optional hard-wire version for the more aesthetically pleasing, cordless look. Universal knockouts and keyhole mounting slots provided.

**Leo Will Hold Two Large Glueboards.
(No Glueboard Bending Required)**
